Greetings from Mark Hoverson,

Quick story with an important point. Stick with me. Follow every word below. You won't regret it. My purpose is very clear: I want you inspired, connected, educated, and literally "in the loop", so you can see "Commission Earned" emails from GRN several times per week.

****About 5-min ago, I just got one of those kissable "Commission Earned" emails from GRN because Adam Holland (a young Dad from upstate New York popped ANOTHER platinum sale).

Someday I'll share with you more about Adam's 16-month S-T-R-U-G-G-L-E in GRN until he had his breakthrough and now has a nice, growing team***

Back to the story. Read on.

I have a really cool foot massage machine. It cost like \$600 or so bucks. Almost every day, I will roll through some emails while this glorious machine does its magic on my feet. Well, yesterday I pressed the "on" button and it didn't work.

It's funny how nervous I got (did it break? did it not work anymore?).

No.

The solution?

It was just not plugged in. Not connected to the power source. It was just plain old "out of the loop."

So, the purpose of this email is to connect you to the power-loop in GRN.

Once you plug in, you will be re-inspired. You will be given exact strategies that others are using to earn those nice \$1K commissions E-V-E-R-Y day.

About 2 or 3 years ago I decided to trade in my old "unplugged" "out of the loop" mediocre life...for a life of electric earnings, personal development, and a commitment to living a life surrounded by empowered, optimistic, and prosperous people. It was the best decision of my life.

So, here are 3 very distinct ways to PLUG in and get fully "in-the-loop" starting today.

#1- I have a \$197/month club, but I am allowing you to watch for ZERO-COST an important 40-min training on how to create a mindset that jumps over obstacles and sails into passionate living. Here's the catch: it's only going to stay free till FRIDAY. Then, it's going back inside the vault. You can watch it now if its within that 48hr window of time before I pull the link:

<http://www.hoversonleadership.com/pbf/>

#2- Rubbing shoulders, having a drink, and bonding with other committed, informed, inspired, GRN earners is arguably the main way to grow your biz F-A-S-T. That's why I created an amazing LIVE event for you in San Francisco. Tickets are \$497, but you can get them for zero-cost if you are a member in my elite GRN coaching club. Here are all the details. But hurry, this is the last week to secure the cheap room rentals because our room block is just about sold out. Hey, before you check out all the details about San Fran, take a peak at one of our live events in Donald Trump's Penthouse in Las Vegas. See what people had to say about the event. You can see that clip here:

<http://joeyborden.com/mark/lifestylepassportvegas.mp4>

And you can pick up FULL tickets and be sure to book your San Fran room asap because we have less than a week left at the discounted price here:

<http://seemarklive.com/>

#3- Connect and use our sweet travel membership. It feels really cool when teammates tell you their kids were able to see the Ocean for the first time because they got a great deal on a two-bedroom luxury condo by the water. Also, taking vacations are arguably the greatest memory-makers we have in our lifetimes <--that's why I'm so passionate about our product. It allows people to travel the world cheaply, plus make a load of money as an affiliate! The perfect 1-2 punch! Here is a new leader in GRN, Lou Abbott, on how he booked his first vacation (only 2 weeks after joining!). Great example for all of us Lou!

Oh yeah, and Lou has already started making sales tooHere's his video experience:

<http://www.mlm-thewholetruth.com/evp/?seed=vbreservation>

Okay, review the info above a couple times. Watch all the videos. And P-L-U-G in!

Let's do this,
Mark Hoverson

ps...make sure you take a moment to really see how much fun we will be having in San Fran. I'd love to meet you there. Hear your story. And watch your business flourish...so you can really heap up some energy this Fall and have a truly prosperous holiday season (hey, Christmas is only about 5 months away!). Here's the San Fran details again:
