Note, If you attended last weeks workshop...

It was a pleasure to have been able to meet with you at the recent Global Resorts Network Workshop that was held in Orlando, FL at the Gaylord Palms Resort Hotel.

During the workshop, you were presented with Promotional Incentive Certificate Packages which are being made available to affiliates as Sales & Marketing Tools.

You saw the possible value of these Promotional Incentive Certificates and chose to purchase various packages while attending the Workshop.

The details of ordering, reordering and distribution of these Certificates is being worked out as we speak.

An additional email will be sent to your attention early next week with the full details of how the material will be sent to you.

Shortly afterwards, we will be sending out a broadcast email to all affiliates, outlining what these certificates are, how they work and how they can be ordered and re-ordered.

We were happy to see that you were interested in these products and thank you in advance for your patience and understanding while we develop the process of getting these out to you and all affiliates.
