This is short notice, but sometimes the best things in life are impromptu and unexpected.

Here's the story (stick with it for 2 minutes and see if this might work out for you).

A couple months ago, we promoted Mark Hoverson's GRN live event in Vegas...and it sold out in 1 email. Thus, we quit promoting it because there was no more room.

But, we just found out there were a few cancellations, so now there are 7 open spots left. Mark explains in the short video below:

After you watched the quick video above, you can go to this website. Some of the information about deadlines and stuff are out-dated because we pulled this site. However, all the important info is accurate and you can still grab a ticket from this site right now. **Only 7 spots are left (this site will disable after the 7 spots are filled).**

We have lots of sales coming in from all across the world, so keep your eyes peeled for more great interviews about how sales are being made. Don't sit on the sidelines. Commit 100% and you will see results. Hope to see you in Vegas Feb. 19-20

Take massive action today.
