Below is an important piece of your 90-day Renaissance training. Pay close attention.

A person note from GRN member Mark Hoverson...

When I was in my late teenage years, and I was just "curious" about business, I bumped into a quote that changed my life forever. I traced that quote back its author. And began to study what this man taught about lifestyle and profits.

Well, early this year, that dear multi-millionaire mentor of mine died. So, I put together a 33-minute tribute training in his honor.

It is fast-paced. Full of important lessons that assisted me in totally transforming my lifestyle and income through Global Resorts. This will become an important piece in your 90-day Renaissance strategy.

Carve out 33-minutes of zero-distraction. Take out your journal and pen. And I think you will absolutely love the treasury of wisdom this legendary leader has left us:
