SHOW AND TELL ON GRN LAS VEGAS EVENT and BLOG STUFF

Debbie Turner will share the highlights of the Global Event which actually turned out to be a 'Who's Who' of sorts in the industry. Even Al Morales spent some time with us.

- High energy
- Magnetic energy
- Experiencing how Millionaires live
- Awakenings of what you can have and who you can be
- Opportunities for those in attendance
- Rubbing shoulders with multiple 7 figure earners

Come get the inside scoop about what happens at these live events and why you never want to miss one.

And, every top earner agreed and expounded this weekend that you can learn all the techie,

geek, dork skills in the world but if you are missing this one ingredient, you won't create the life you deserve. You will sabotage every time.

Debbie lays it out so you can succeed. It does no good to sugar coat and Global Resorts is raising up mighty leaders. Every GRN affiliate is important and has the same exact opportunities.

Debbie will also take about 15 min. and show you exactly how to edit your blog posts and add new posts. Many of you have just started blogging and she will show you how fun and simple it is to use.

PROJECTS IN THE WORKS

One of the projects Debbie is working on will be a series of recorded videos on how to use your wordpress blogs. These will be made available to everyone. Watch for the update on this...
