A Grand Destination

Lake Tahoe, the ideal retreat for body and soul...
plus your wallet with over 65% savings on this hot
3 bedroom suite deal available to our members.

Marriott Grand Residence Club

Amongst the many activities, you'll love the outdoor pool
and hot tub area that is lighted at night.
(outdoor skating rink as well)

We called the resort directly to gather some more
information.

We asked why we were unable to find any '3 bedrooms'
online for the dates we were looking for. (April 16 - 23)

They told us it was because these dates are extremely
desirable and that they had sold out very quickly. They
also indicated that these dates were peak season for them.

We then asked, what the price would have been for a 3 bedroom unit, if they had the availability...

"\$425.00 per night for the first 2 nights and then \$325.00 per night for the remaining 5 nights"... and this does not include taxes or fees. Before taxes & fees you're already over \$2,400.00.

Right now through membership, you can book an entire week at this resort in the best location on the property. You'll enjoy a 3 bedroom beautiful suite in peak season for only \$799.. and this includes all taxes and fees. That's a minimum savings of over \$1,800.00, not to mention it's at a time when people are scrambling to get access.

These types of weeks are unmatched in the industry. Enjoy the 'Rolls Royce' of membership clubs.

Enjoy Life!
